School Board Publishes First Policies Book For Chesapeake

Changes in the School Board came fast and furious during the 1967–68 session. With the annexation of a part of Chesapeake by Portsmouth, went Dr. William S. Terry; and with a promotion to the presidency of Longwood, Dr. Henry I. Willett. For the first time in the history of the system, written policies were compiled and published in a booklet distributed to all school personnel. Unceasingly, the members of the School Board work to "better the best"—the Chesapeake City Public Schools.

Dr. William S. Terry receives citation from School Board.

Anyone can appreciate the task confronted each day by Mrs. Annie Lane, the school dietitian. It is her duty to plan a nutritious, well-balanced meal for eleven hundred sixty-three hungry Wildcats. In addition, she must see that this meal is prepared efficiently, under the most sanitary conditions possible. For seventeen years Mrs. Lane has ably carired out these duties. Because of her kindly efforts, the 1968 **Causeway** Staff proudly honors Mrs. Annie Lane.

Dorcas Tri-Hi-Y Originates Miss Great Bridge Pageant

Spotlights and glamour moved into center stage as the Dorcas played host to the first Miss Great Bridge Pageant with Ron Alexander of WVEC as master of ceremonies. Escorts from Frederick Military Academy ably assisted the contestants. Prominent citizens of the area served as judges to select one contestant on talent, suit, and evening gown competition.

Five finalists spontaneously answered questions. Miss Sharon Holt was crowned Miss Great Bridge by Miss Brenda Worsham, a title holder of 1963.

As the evening drew to a close on an enchanted and lovely Miss Great Bridge, the pageant proved to be a resounding success and offered bright hopes for next year.

Susan G. Canada Reigns Over 1967 Homecoming

While brimming with tradition, the 1967–68 Homecoming festivities added a new and special feature. Centered around an International theme, eight floats, designed and constructed by various Great Bridge clubs, portrayed the culture and custom of a particular country, such as Holland, Switzerland, and England. Judging of the various entries revealed the top place winners as the floats of Holland, Tahiti, and Japan. The designers of the winning floats were the National Honor Society, Delta Tri-Hi-Y, and Doria Tri-Hi-Y respectively. In order to make ready for the final entry, club members worked many hard and long hours completing each task necessary to produce an acceptable and possibly winning float. Napkins, crepe paper, wire, and wooden structures were among the many items needed to build each float.

The Homecoming Court, a tradition at Great Bridge, lent elegance and beauty to the evening. The senior attendants, Misses Chris Barone, Susan Canada, and Linda Martin, wore gowns of blue while the junior attendants, Misses Linda Davis and Carolyn Brackens donned like gowns of pink. Highlighting the night, Mr. Dalton crowned Miss Susan Canada, selected as Homecoming Queen by the football team.

Floats, an exquisite Homecoming Court, and a football victory topped an exciting evening for fans and participants.

Spotlights shine on reigning queen and court.

Annual Musical Uses Circus For Its Setting

"Step right up, ladies and gentlemen. See the great sights. See a strong man lift 5,000 pounds with his teeth. See the man tatooed from head to toe." A captivated audience witnessed these and many other sights on November 17, 1967, when the Drama Department presented its annual musical play **Step Right Up**. The musical provided comedy with clowns, an ever-hungry woman, and the paradox of a "little" dictator and his "big" wife; scenes with unrequited love and the quarrelsome owners of the circus; and tunes both sad and lilting.

Band Wins Trophy In Concert Festival

"And here they come! Ladies and gentlemen, at the north end of the field, the Great Bridge High School Wildcat Marching Band!" Every football Friday night crowd marvels as the band presents a unique example of Great Bridge in action. The group amazes the spectators with new routines, forming GB, portraying pop songs, and manipulating moving ships and trains. Rain canceled the last football performance, a keen disappointment to senior members. After fall, comes concert season – One in winter and another in spring replete with tuxedos and formal gowns. Between public performances, Director Robert Martin readied his musicians for winning in city and state competition. Highlighting activities, the Wildcat band performed at its last yearly event, graduation exercises – a tearful time for some, a joyful time for others, but for the band a time of undeniable satisfaction and pride.

Music Groups Fill Christmas Agenda With Many Concerts

Vocal harmony and community service are among the objectives of the various choruses at Great Bridge High. Artfully guided by Mrs. Kay Basnight, the choral groups are a mainstay of organizations in the community. Evidencing the fact, the Choralettes entertained at the Kiwanis Club and at the Dietitian Convention held in this area. Also, the Girls' Glee Club participated in a community sing held at Twiford's Colonial Chapel and the A Cappella Choir devoted its time and talents to a performance for the women of Oak Grove Methodist Church. In addition, all of the chorus groups combined to provide a Christmas concert at Great Bridge Baptist Church and a spring concert at the school. Thirteen students represented Great Bridge at All-Regional and eleven at All-State Workshop. Of these student representatives, Linda Smith rated the highest score from the school.

New Beginning Chorus Spurs Choral Training

A new addition! Choral Department adds the Beginning Chorus! This group, made up primarily of freshmen, is the training ground for the Mixed Chorus. Although inexperienced, members of the Beginning Chorus displayed their ability in the annual Christmas and Spring Concerts and in their performances at school assemblies.

The Girls' Glee Club continued to serve the school and community in the annual concerts. An added event to the concert circuit for the Glee Club was a Christmas Caroling.

Bridge Members Publish Booklet On Writing Fundamentals

Always on the scene of a crime or festivity, the Bridge captured the moments of enthusiasm and action of the 1967 school year. "Fundamentals of Newspaper Writing," a book written by the staff, served as a guideline for their newspaper work. While attending the SIPA conference, the staff won an Honorable Rating. Acquring patron sales for blocks of space marked one change in layouts. Because of the continual need of good photography, the Bridge acquired the use of the darkroom. Covering the news, meeting deadlines, and publishing the Bridge contributed to busy year.

Columbia Press Awards Bridgetown Scroll Second Place

Creative genius fills the halls of Great Bridge with a blossoming literary atmosphere. The Bridgetown Scroll staff published two great issues, bubbling with orignial writings from students. Efforts of the staff and students merited a second place rating in stiff competition at the Columbia Scholastic Press Association. The publication was also entered for criticism at Southern Interscholastic Press Association and in Virginia High School League competition. Another honor came to the magazine when four of its members were chosen to join the Quill and Scroll: Joanna Seagle, Dorene Sirmans, Brenda Jordan and Donna Mayhew. Under the guidance of two effective leaders, Mrs. Erma Vinson and Mrs. Susie Spruill, the magazine staff continued to encourage creative literary production from youthful potential authors.

1967 Causeway Wins CSPA Medalist Award

Another hurdle cleared, another pole vaulted, and another championship won! Staff members shout to the roof tops – a First Place at Southern Interscholastic Press Association! a First Class Honor Rating at National Scholastic Press Association! and a Medalist Award at Columbia Scholastic Press Association! The Causeway Staff had a standard to maintain – a standard requiring originality and action. Hectic picture-making days came and finally went; deadlines sneaked up, then whizzed by; long anticipated proofs arrived and underwent scrutiny with a magnifying glass. Blood, sweat, and tears paid off. The Causeway Staff published the history of the year of action – Great Bridge High School 1968.

Pupils Ready For Forensics

Under the new direction of Mr. T.C. Williams, the forensics program underwent many revisions this past year. Prior to district competition held on April ninth, participants readied themselves by diligently practicing with their coaches, critics, and tape recorders. With approximately fifteen schools participating, district competition was held at Oscar Smith High School. Seven participants represented Great Bridge in the categories of Girl's and boy's prose reading, poetry, public speaking, and spelling. Coaches were Mrs. Phelps and Mr. Turner, public speaking; Mrs. Curling and Mr. Halterman, prose; Mrs. Gendell and Mrs. Spruill, poetry; Mrs. Knight, spelling; and Mr. Turner, one-act play.

As in years past, the debate team enjoyed a most successful year. Members of the first team were Mike Root, Joe Bateman, Bruce Oyler, and Larry Taylor. An innovation in the debate department was the establishing of a debate class.

Senior Class of 1968 Presents A Rollicking Farce-Comedy

With much frolic and hilarity, the senior play arrived on the scene. **Here Comes Charlie**, a farce-comedy in three acts by Jay Tobias, is the rollicking story of a country girl, Charlie, who comes to live in the society of a young sophisticated man who has promised to take care of her thinking she is a boy. The young man runs into quite a number of problems, especially with his fiancee after he begins to fall in love with Charlie. Charlie's typical country speech and the clashes of sophisticated society with backward country add spice to the plot. Charlie, as the leading "lady", was played by Linda Kaiser and the young man with the many problems who falls in love with her was played by Alfred Mallard. Other members of the cast included Clyde Bond, Hose Blay, Ruth Nuckols, Joanna Seagle, Brenda Jordan, Larry Taylor, Mike Head, and Joy Simpson.

Southern Rhapsody Fills Prom Night With Charm

Norfolk City Arena set the stage for Southern Rhapsody which honored the class of 1967 on May 20, 1967.

The prom, which was indeed one of the most beautiful, centered around the antebellum days of the Old South. As one passed from the foyer of the arena, with numerous modern-day vending machines into the main hall, he came upon the perfect setting of a Southern plantation garden complete with bridge, fountain, trees, and, of course, plantation mansion. The servers added further to the romantic atmosphere as they were dressed as Confederate officers and Southern belles.

However, the fabulous Pop Tops proved that it was really 1967 as they played the popular rock 'n roll and soul music of our day.

After the senior promenade, the theme of the prom was further emphasized as the Pop Tops played "Carry Me Back to Old Virginny" for the senior dance.

A lovely evening in a rich Southern setting provided an unforgettable evening for all.

Library-Office Assistants Serve Whole Student Body

A volunteer work-service force, composed of student library and office assistants, contributed to the smooth operation of Great Bridge. Because of vast demands daily for extra work, student assistants tackled numerous tasks, thus relieving the office and library personnel of many routine duties. Student library assistants performed many duties, such as working the audio-visual equipment, checking out books, and helping students locate information. The school office and the new attendance office called on student aid for such tasks as answering telephone calls, mimeographing, distributing mail, typing absentee lists, and running numerous errands.

Social Science Department Adds New Geography Lab

Society – man can't escape it; man is society, a composite of every aspect of life – the social sciences. Endeavoring to understand this complex animal called man, students delve into his past, his present, his future; his being, his heritage and contribution, his worldly place.

Humanities students traveled to Washington to various museums which exhibit man's cultural accomplishments and his development. To study the behavior of man, psychology students went to the state mental hospital. History and geography courses offer knowledge, both social and physical, of the environment in which man exists.

What is man? Where did he come from? Where is he going? Why does he so react to the physical world about him? Such questions plague the inquisitive mind and answers emerge through the social sciences.

Language Offerings Grow To Four As German Added

It's yes; it's **si**; it's **ja**; it's **oui**, depending upon the class in the wonderful world of language. German classes, an innovation this year, already number three, running a close race with French, six, and Spanish, six. But, naturally, the English classes outnumber them all!

Far and wide, language teachers travel to study. Miss Helen Weeks went south to the National Defense Institute for Spanish at East Carolina University. Northwest Mrs. Inez Root traveled to the National Education Association Convention in Minneapolis.

Three new teachers joined the staff this year, Miss Lonitz, Miss Pelkey, and Mrs. Spruill, who took the place of Mrs. Vinson who "retired" in December. Mrs. Vinson left the school with an honor never accorded before–last spring she had a poem published in **The National Poetry Anthology**.

Yes, it's audio-lingual; it's the new English; it's literature; it's vocabulary; it's language arts in action.

Through the study of new mathematics, the realm of figures, angles, and designs evolves. Angles develop as a compass is skillfully adjusted and manipulated. Advanced mathematics encourages the student to explore trigonometry, algebra, and calculus.

Test tubes, organic and inorganic matter, chemicals, and telescopes permeate another field of science. Whether a student dissects an earthworm, scans vast regions of the universe, peers through the microscope at an amoeba, or combines chemicals for experiments, he glimpses only a few of the delights of the changing sciences.

Business Class Gets New Copy Machine

Secretary, typist, bookkeeper, receptionist, payroll clerk, stenographer – careers unlimited.

Business classes provide a bird's eye view of the business field as well as actual training in skilled subjects. Acting as a springboard, General Business acquaints the student with the world of work. By acquiring the skills of typing and shorthand, the secretary handles her employer's correspondence. The bookkeeper accurately records all transactions to guarantee smooth company operation. Delving into the legalities of business, the prospective lawyer mentally begins his career. A pleasing personality equips the receptionist for her job as the firm's goodwill ambassador. The payroll clerk pours over ruled forms and salaries to figure employee wages. Training for these positions and others originate in our Business Department.

PE Exer-genie Makes Exercise Easy Work

In an era of perpetual modern conveniences, physical fitness ranks high as a necessity of life. The continual ease of performing ordinary tasks demands an outlet so that each individual may keep physically fit.

An amazing device known as the exer-genie, developed by Dr. Dean Miller, enables an individual to develop strength and flexibility simultaneously without time-consuming exercises. Through the process of isolation, a person can relax one muscle while exercising another.

The Physical Education Department has purchased several exer-genies for use in classes. Each student practices with the exer-genie for approximately ten minutes each day.

Competition, teamwork, effort and sportsmanship unite as potential athletes participate in various sports throughout the year. Football, basketball, tennis, and baseball are only a few of the sports enjoyed by "Phys. Ed." students.

Aspiring athletes work out with exer-genie.

Vocational Training Equips Students For Various Careers

Georgia Ricardo fashions her own creations.

"We're off to work!" is the cry from students who come to school only a part of each day! The other part, though, is really work! In Distributive Education, Industrial Cooperative Training, and Vocational Office Training classes, better known as DE, ICT, and VOT, participants combine technical classroom instruction with on-the-job training in fields relating to selling, merchandising, marketing, and all phases of office work and industry.

The Distributive Education program grew so successful at Great Bridge that a second full-time teacher was employed. Both DE teachers, Miss Elizabeth Lee and Mr. Frank Brothers, are new to the staff this year.

The duties of these two coordinators and of Mrs. Helen Davenport, VOT, and Mr. Graham Selby, ICT, consist of guiding the student in the classroom toward a specific profession and coordinate class activities with those he is expected to accomplish on-the-job.

In other vocational offerings, such as home economics and woodworking and metal shops, a student may learn skills to be used as a hobby or as a career. From threading a machine to designing fashions, from making a batch of fudge to becoming an economist; from making bookends to building kitchen cabinets, from creating a piece of metal jewelry to welding a tractor motor – a skill for play or a skill for work may materialize through practice in vocational courses.

After mastering posting machine, Carol Gray will progress to another.

Arts Inspire Expression

Age-old arts have become new adventures to the 1968 Wildcats. Through music, drama, speech, and art, self-expression issues forth. Every winter and spring the student body and citizens of the community are treated to concerts - instrumental and choral. Future musicians and singers learn skills and disciplines from two of the finest directors in the locality, Mr. Robert Martin and Mrs. Kay Basnight. The school and community show justifiable pride in performances by the music department.

All of life's a stage and each individual an actor for his peers, for his teachers, for his fellow citizens – in class, at home, on stage. Under the direction of Mr. Travis T. Turner, each year aspiring actors and actresses thrill audiences with original musical comedy, senior assembly, and a senior play. Other acting opportunities come through the dramatics class, which presents one-act plays to English classes, through the public speaking class and forensic activities.

Yet a third creative art is afoot – fine arts itself. Ceramics awakened hidden talents as students turned bowls and vases and molded original masterpieces through this newly added art media. Under Mrs. Aileen Eason's instruction, clay, paint, and paper transform themselves into works of art. Whether through art, drama, or music, the Wildcat talent comes alive.

New Facility Expands Opportunities In Ten Vocations

As a cosmetologist, Joan Powell hopes to work on real people.

Thirty Wildcats elected, and then were selected, to take courses at the Chesapeake Technical Center – the newest innovation to the city's high school curriculum. Opening in September 1967, the facility trains two hundred and fifty high school students in ten separate fields: Air conditioning, auto mechanics, carpentry, cosmetology, data processing, electronics, horticulture, masonry, metals, practical nursing. The students attend the technical class three hours a day and return to the home school for academic subjects. Although pride is evident in those attending the Center, that Great Bridge High spirit remains the same.

GB Student Council Hosts District SCA Conference

Activating the state theme "Sail the Action Ship," the Student Cooperative Association began work last summer with President Sally Wade attending workshop at Radford. In September welcome notes greeted the teachers after a faculty tea. For the first time Big-Brother-Sister orientation program helped new students get acquainted . . . Under a new sponsor, Mrs. Shirley Cahoon, the SCA hosted the District Conference in October. The following week, Homecoming (including a parade with eight floats instead of one!) was heralded a success. The SCA initialed the Holly Ball at which Bobby Capps and Linda Martin became Mr. and Miss Mistletoe, featuring Bob Marshall and the Crystals. Patriotism Week, a hootenanny, a leadership training clinic, and an exchange day with another school kept the Action Ship sailing!

Forty-nine newly tapped members of the National Honor Society faced initiation with pride and fear. Surviving mouthfuls of shaving cream, egg-smashed hair, and other foolish pranks, the new members began their year by helping prepare a Dutch float for Homecoming. Candy sales at basketball games realized money for scholarships and preparations for the annual February dance. A banquet held October 28 acquainted new members and parents with club activities. Doria-Key Club Sponsor An "After Exam Slam"

Doria spells action with a big capital "A". For the second time in as many years, the Doria Dolls racked up enough points to win the Ace Award! Achievements represented home and abroad. First, Sally Wade was elected Secretary of the District Tri-Hi-Y. Then thoughts traveled afar as a drive for "kool aid" to be sent to troops in Viet Nam was headed by the Doria and the support of an orphan in India became the responsibility of this club. Action hurried over action with members sponsoring – and losing – the Powder Puff game!, washing green blackboards for thankful teachers, giving a Hallowe'en party for hospitalized children at Maryview and a Christmas Tea for alumni, and Christmas caroling at the nursing home! And the service went on and on and on. The energy came from the desire of the Doria Dolls, and the means came through hard work – washing cars, selling candy, and planning the fund raising activities, the Powder Puff game and the 1968 innovation – the "After Exam Slam." Another successful year ended with the Mother-Daughter Banquet in May, leaving a record for next year's members to aspire to.

Active is the appropriate word to describe this year's events performed by the Delta girls. A whirlwind of activities marked a busy year. Due to the service nature of Tri-Hi-Y work, Delta members completed many projects, such as supporting an orphan, visiting the Norfolk Municipal Hospital and various churches, and monitoring the coat room during home basketball games. Fulfilling two planned goals, the girls were able to purchase a new trophy case for the main hall and jointly sponsor a kool aid and pop corn drive for the boys in Viet Nam. Various money-making projects, including the sale of those unusual Wildcat decals pouncing on notebooks and cars and the sale of candy in teachers' lounges, provided finances for the club's work.

Participation in the Powder Puff Football Game focused on halftime as Dorcas and Delta girls planned the entertainment which consisted of a band and Homecoming Court.

Honor came to the Delta in the form of the Ace Rating, the highest award given to Tri-Hi-Y work. Because of the stress on the increasing automobile accidents, the girls washed car windshields in an effort to promote safe driving.

Delma Is Victorious Over Powder Puff Competition

Victory! 8-0 victory over the Doria in the annual Powder Puff Football Game started a busy year for Delma girls! The year's agenda included several service projects; namely, the donation of food to a needy family at Thanksgiving and the sponsorship of a Christmas party for the children at Kings' Daughters Hospital. At MGA, Delma received the cherished Ace award. The completion of various planned projects, such as giving a scholarship, buying directional signs for the halls, cleaning typewriters, and patterning a crippled child, contributed to a full year.

Dorcas Girls Present Deacon Benches, Plants For Main Hall

A dream – a reality – a success! The Miss Great Bridge Pageant brought glamour and beauty in the wake of a Great Bridge first. Another first, the Tri-H-Y Cycle Competition Derby, offered enjoyment for both participants and fans as the rider-powered tricycles approached the finish line. Christmas decorations on classroom doors decked the halls in tune with the season and provided a competitive atmosphere as homerooms worked for top prizes. Powder puff duties involved planning for half-time entertainment. Service projects included patterning a crippled child and presenting Thanksgiving and Christmas dinners to a needy family. Enriching the decor of the main hall, deacons benches and plants were presented to the school. Well-deserved honor included receiving the Ace Award for the second year, being represented at the Blue Ridge and Massanetta Springs Assemblies, forming the Sigma Tau Tri-Hi-Y at Indian River High, and presenting a scholarship to a deserving senior. President, Dorene Sirmans, served as speaker of the House at the 1968 Model General Assembly in Richmond–a noteworthy honor for Tri-Hi-Y, school, and district.

GB Chapter Acts As Host To City Area Bible Club Banquet

Accomplishment and work were the key words for the Bible Club's year. The Great Bridge chapter acted as hostess at the City-Area Bible Club Banquet. By defeating the Deep Creek Bible Club, the members successfully competed in a quiz involving the Book of Genesis. Justifiably proud, Marvin Henderson, Donald Keesse, Gerald Miller, and Margaret Jones pushed the final score to a 264-84 victory. Former members received the club's newspapers, and necessary finances emerged from car washes and doughnut sales. Among the memorable service projects undertaken by members, visiting St. Mary's Infants Home at Halloween and Portsmouth Children's Home at Christmas stood out as the major ones. In keeping with the Christmas season, members conducted a carol sing. The annual banquet closed a year of successful activities.

Lieutenant Governor M. Nero Heads Area Junior Civitan

Led by President Lee Ball, the Junior Civitan Club is always on the ball to serve the school and community. The Club performed school service projects such as shining the Varsity Football Victory bell for the cheerleaders, cleaning desks and pencil sharpeners for the teachers and buying pom poms for the varsity cheerleaders at the last home basketball game. Extending services to the community, the members gave parties for the patients at the Chesapeake Nursing Home, and supported the Mental Retardation Fund and the Norfolk-Portsmouth SPCA. One of the most rewarding community projects was working at Camp Civitan. To be able to perform these worthwhile services, members of the Civitan Club sold candy, safety flares, and programs at the Chesapeake Fair, and cleaned up the stadium after home football games.

This year the club gained the honor of having one of its members, Marshall Nero, elected Lieutenant Governor at the District Convention held at the Chamberlain Hotel at Old Point Comfort, Virginia. With the growth of the club and its services came two sponsors, Mr. Lanier Halterman and Mr. Darden W. Vaughan.

Key Club President Serves As WVEC Sports Reporter

A group of service-minded boys who are recognized as the leaders of Great Bridge, the Key Club members have rendered many services and honors to their community and school. These services include stadium cleanup after the Indian River football games and ushering at concerts and home football games. At Christmas they gave gift certificates to two needy students. Another service project in which the Key Club participated was a dance sponsored cooperatively with Doria Tri-Hi-Y which followed the basketball game after the first semester examinations. The proceeds of the dance went to the Joy Fund. Along with its many service projects the Key Club has brought many honors to Great Bridge. Mike Root as the Division Lieutenant Governor and Key Club President Lee Jackson as the Great Bridge WVEC-TV Sports correspondent brought much honor to Great Bridge. However, even with these honors the Key Club plans to move ahead as Mike Root runs for District Governor. Included in the Key Club's other activities were sending members to the Key Club convention held in Baltimore, Maryland and building a float for homecoming which followed the seaward theme of Norway. With all the successful accomplishments of this year, the Key Club looks forward to bigger and better things for next year.

Koonce Is DECA State Winner

Participating in district contests of display, advertising, job interviewing, and sales demonstration, the DECA members joined the business world. One participant in these contests, Glenn Koonce, won the state competition for display and went to Chicago to participate in the National DECA contest. The employee - employer banquet, a yearly event, provided opportunity for the student employee to play host to his employer. Members worked hard to provide a scholarship for a deserving DECA member, who planned to pursue a merchandising major in college. Unique to DECA, its breakfast club meetings combined business with pleasure. Plans for a dance and a basketball team completed a busy schedule of activities.

Treasurer Of State VICA Hails From Great Bridge

By taking part in contests which involve them in the real world of today, members of the Vocational Industrial Clubs of America prepare for future vocations. Through participation in these contests at leadership rallies and state conventions, members broaden business knowledge. Some honors won by students in district contests include: Phyllis Frey, first place in hairstyling; Brenda Berryman and Gail Jennings, second and third place, respectively, in current events; Lorraine Greene, second place in talent; and Ed Matkins, third place in job interview. Beside these achievements, great leadership potential was demonstrated by the election of Rose Collins as the VICA State Treasurer.

Thespians Study Silent Screen Stars For Acting Pointers

By furthering their study of acting and directing, these people will be the entertainers of the future. Studying great actors and actresses of the past, the members gain valuable knowledge from the experiences of others. The Thespian Club, under the sponsorship of Mr. T. T. Turner, is a great advantage to students interested in acting, producing, or directing as a profession.

Circle de Francais Begins

"Bonjour!" rang out from Le Circle de Francais, a newly formed club. The first major project was entering a float in the homecoming festivities. As a service project the club cleaned the equipment of the foreign language laboratories each month and painted signs to cheer the basketball and wrestling teams to victory. Hoping to gain a better understanding of the French people and their customs, members of the club corresponded with French pen pals. Programs included various activities such as sport events, newscasts and viewing photographs of geographical features of France.

All French class members maintaining a "B" average automatically become members of the French Legion of Honor, if they so desire. Since this is an honorary organization, the main event of the club was a banquet featuring French foods, held in the Nations' Room of the Golden Triangle.

Spanish Club Supports The International Youth Ideal

Under the leadership of Helen Culbreth, El Circulo de Espanol became involved in foreign affairs! Through the International Youth Program this club helped to sponsor its first president, Mary Midgett, as a 4-H representative student to Venezuela. The fruition of this project became a reality through selling doughnuts and making and selling pizzas. In the Homecoming Parade, three members dressed in Spanish costumes rode to triumph on their float with a Mexican bullfight scene. An added attraction afforded another money making project. The Spanish Club challenged the French Club to a spectacular basketball game.

Girls Pursue Foundation In Careers As Homemakers

Looking for action? Find the Future Homemakers of America! This year they could be found selling succulent pastries at bake sales, washing cars at local gas stations, preparing covered-dish suppers, and listening to valuable advice from speakers from Lerner's Shops. Other diversified interests included selling Stanley Products, collecting recipes for a cookbook, and sponsoring "do-nut" and candy sales. The club also enjoyed such vivacious activities as giving beach and pajama parties, cook-outs, and going roller skating. They were led in these various activities by their president, Patty St. John and their sponsor, Mrs. Ballinger.

Chess Club Matches Wits With Neighboring Schools

Oddly enough, the main activity of the Great Bridge Chess Club is playing chess! Led in this activity by their President, John Mears, the members challenge each other to series of matches which comprise inter-club tournaments. The chess clubs of other schools are also challenged to tournaments: First Colonial defeated Great Bridge 3-2, while Great Bridge retaliated with a 5-0 victory over Deep Creek. Enthusiastic members of the club also meet informally in the cafeteria each morning to test their skills. The familiar sight of a group of engrossed young chess buffs playing in the rear of the cafeteria assures one that the Chess Club is one of Great Bridge's most active organizations.

Math And Science Join Forces

The Math Club and the Science Club combined this year to form the Math and Science Club under the leadership of the President Marshall Nero. The sponsors Miss Elaine Griffin and Mrs. Frances Spears try to instill interest in advanced study of the different branches of the maths and sciences.

Lenny Nero, a student at Old Dominion College has spoken to the Math and Science Club about his three month trip to Antartica. His lecture and slides on an exploration for the National Science Foundation to prove the theory that plants grow in the winter under six feet of ice were most enjoyable.

Sally Wade dumfounded the club with her paralyzing puzzles and near impossible mathematic problems. She provided much entertainment and an enjoyable afternoon.

In the near future, the club plans to visit and study the water purification and sewage plants in the Tidewater area. The club also plans to have a lecturer from Langley Air Force Base and perhaps visit the field. Among other planned field trips are: visiting Twiford Funeral Home and visiting Rice's Pit to collect fossils. The club would like to sponsor a person to the Virginia Academy of Science.

FNA Gives Two Scholarships

All of the members of the Nancy Tennant Future Nurses' Club hopefully look forward to a career as a nurse. Throughout the year, however, they worked hard to render services to the school. Last year they gave two scholarships to graduating seniors in the club. Each scholarship was $100. They plan to give one again this year to a prospective nurse in the school.

In the past the Future Nurses' Club held bake sales and sold Dolly Duzits. Their projects for this year included more bake sales and selling boxes of Christmas cards. In preparation for their careers, they have had speakers to come and speak to the club on various fields of nursing and the area schools of nursing. They have also toured the various hospitals in the area.

Future Teachers Send Three To State Convention At Richmond

Future Teachers of America has done well this year under the leadership of its President, Veronica Griggs. The club has a new co-sponsor, Mrs. Clara Knight, who works with Mrs. Fairy Rutledge to stimulate interest in the teaching profession. This year the club has several honors to claim. Joanna Seagle and Veronica Griggs were elected Parliamentarian and Reporter, respectively, at the District Conference for 1967-1968. The Club scrapbook placed first in district competition.

Marianne Hanbury, Brenda Griffin, and Veronica Griggs represented the FTA at the state convention held at the John Marshall Hotel in Richmond. The club gave a scholarship of $150 and two separate scholarships of $125 each to future teachers. It sold second-hand books and pom-poms at Homecoming to raise money.

State FBLA Elects Buster Blanchard Its Treasurer

Under the leadership of Buster Blanchard, the Future Business Leaders of America have diligently worked to carry out various projects which are beneficial to the students of Great Bridge High School. One of these projects was a student directory which lists the names and addresses of all students.

Not only did the Great Bridge future business leaders carry out activities in their school and community, they also involved themselves in the Regional, State, and National Chapters of their organization. Buster Blanchard, State Treasurer, attended the National Convention in San Francisco, California. He was also kept busy by attending state executive planning meetings and the State Convention in Richmond. Paul Charfaurous, local reporter, was elected Regional Reporter. With these accomplishments, the FBLA ended another successful year and set a standard for future members to strive for.

GB Future Farmers Compete In Five Judging Contests

Led by president Dewayne Hewitt, the FFA has entered numerous contests and placed high in them. In each contest Great Bridge had judging teams consisting of three members each, participating in two Federation and one State Judging Contest. Standings for 1966-67 were: FORESTRY - Second place Federation: Dewayne Hewitt, Stanley Olah, Glen Wilson; CROPS - Third place Federation: Tim Etheredge, Eugene Daniels, James Lane; FARM MECHANICS - Sixth place State: Glen Wilson, Eugene Daniels, Eugene White. The chapter will compete in Forestry Judging, Crops Judging, Livestock Judging, Public Speaking Judging, and Farm Mechanics Judging later in the year.

The Future Farmers of America is an organization that promotes farming and other fields related to agriculture. Throughout the year the FFA participates in many projects and contests on both state and federal levels. Included in these contests are forestry judging, crops judging, livestock judging, tractor driving, farm mechanics judging, and public speaking judging. These contests help prepare boys to become future farmers.

Quill And Scroll Motivates New Literary Competition

Working toward a year of more action than in the past, the Quill and Scroll members ended the year with much accomplished. Led by Angela Jacob, the members strived to further develop their literary knowledge as well as encourage literary excellence in the school. The members planned a visit to the Virginian-Pilot newspaper plant as a group interest. Sponsoring a literary contest for students helped to spur the search for talent within the school. There was a first place award of $5.00, and the first and second place winning entries were published in the Bridgetown Scroll. Valuable experience was gained by writing articles for the Chesapeake Post. With two inductions of members during the year, the club expanded its membership. New members were able to help orientate the members of the second induction. With expanded membership and increased activities, the club gained deserved recognition.

Folk Club Reveals Talent Through Music Experiences

Beginning the year with induction of new members, the relatively new Folk Music Club of Great Bridge has become a prominent member of this school's organizations. Socials and visits to local coffee houses enabled members to become better acquainted with folk music and to share with each other their knowledge of folklore and musical instruments. Lyre entertainment, provided by members of the club as well as by guests, was an important part of the meetings; and members joined in group singing. Beside collecting songs and organizing them into booklets for each member, the Folk Music Club made the sponsoring of a Dating Game its major project. This club provided an enjoyable way for students to actively participate in and learn folk music.

Included in its many activities were the sponsoring of the homecoming dance, the selling of Wildcat decals and the selling of soft drinks during home basketball games. To become a member of the club, a boy must letter in a varsity sport and be approved by the members. The members of the Monogram Club are distinguished by their green and gold jackets with the club emblem.

Inter-Club Coordinates All Extra-Curricular Activities

Serving as a connecting link between the Student Cooperative Association and all the school-sponsored organizations, the Great Bridge Inter-Club Council performed a necessary and most helpful function. Led by Chairman Alfred Mallard who was supported by the other officers of the club, Vice-Chairman David Lockwood, Secretary Veronica Griggs, and Parliamentarian Lee Jackson, the Inter-Club Council met once a month. Each school-sponsored organization was required to send a delegate to the meetings, the delegate usually being the vice-president of the organization that he represented. The delegates reported on the activities of their clubs and received any instructions that were relevant to their club and its activities. The Inter-Club Council co-ordinated the activities of the clubs within its organization during the school year so that there would be no possible conflict of dates and acted as a means of communication between the organizations by offering them the opportunity to share their ideas, problems, and solutions.

Cheerleaders Gain A First During Summer Competition

Rebuilding a squad of nine new members took many hours of strenuous practice, but it was worthwhile! Sporting new uniforms, the cheerleaders added the all-time favorite pom-pom routines, a first this year. Adding to school spirit, a Victory Chain, links of green and gold, in the cafeteria, stadium, and gym, boosted support of the Wildcats. Painted signs for the locker room and several parties for the team helped build morale of the players.

During the summer, the squad and sponsor, Miss Judy Rice, attended the National Cheerleaders Association Clinic at Smith Mountain Lake. Competition on a statewide basis was held for three days, and the Wildcat squad received one first and two second places. In final competition, the Great Bridge Varsity Cheerleaders walked away with second in the State. Also, for the first time Great Bridge won the Spirit Stick, given to the squad with the most spirit.

Record Of 6-4 Ends Season

Exciting but disappointing, the Wildcat football season opened September 8 as the Cavaliers from Princess Anne rolled over Great Bridge 40-0. After a splendid intercepted Cavalier pass, Mike Head ran for an apparent Wildcat touchdown, only to have it recalled due to penalty. The remaining quarters belonged to Princess Anne. The Wildcats bounced back to down the Admirals of Cradock 32-0. Lead by quarterback, Tommy Rhodes, the Wildcats went to the air for an impressive 19-0 lead at the half and a convincing final victory over the Admirals. Spurred by a 90-yard punt return by Mike Head in the first quarter, the Wildcats won their second Southeastern District victory by rolling over the Tigers of Oscar Smith 21-0. The Wildcats outfoxed the Falcons 33-6 at Cox High Stadium. Now hoisting their record to three in a row, Great Bridge prepared for Churchland. An upset-minded Churchland football team routed Great Bridge 54-21. Staunch rivals, exuberant Churchland team and fans reveled in first victory over the Wildcats in twelve seasons. Despite a Trucker dominated game, Tommy Rhodes completed a spectacular pass after being forced far behind the line of scrimmage. Mid-season tallies rated Great Bridge with a 3-2 record.

Another pass is successfully caught by Ricky Lee.

By Video Tape Wildcats Study Strength-Weakness

On October 20, Great Bridge edged the Presidents of Wilson in an exciting 19-14 game. This victory put the Wildcats back in the winning column. An impressive Wildcat team stung the Hornets of Deep Creek 26-14 for an important Homecoming victory. At half-time the Wildcats held a 19-7 advantage. Unexpectedly, the Knights of Kellam High defeated the Wildcats for an upsetting victory. Great Bridge tallied the last score in the game on a Rhodes-to-Braatz aerial, which covered 15 yards to bring the 26-13 defeat to a close. A fired-up Wildcat eleven, rallying behind senior quarterback, Tommy Rhodes, massacred the Braves of Indian River 54-12. This proved to be the most explosive game of the year for the Wildcat offense and defense. By defeating this new rival, the Wildcats posted a 5-1 record in the Southeastern District. The Wildcats took on Thanksgiving Day rivals, the Pilots of Norview, the following Friday night in the wettest game of the year postponed once because of rain. The Wildcats made a great effort but dropped the game 20-7 in favor of Norview. Great Bridge brought to a close its 1967 football season with a 6-4 overall record.

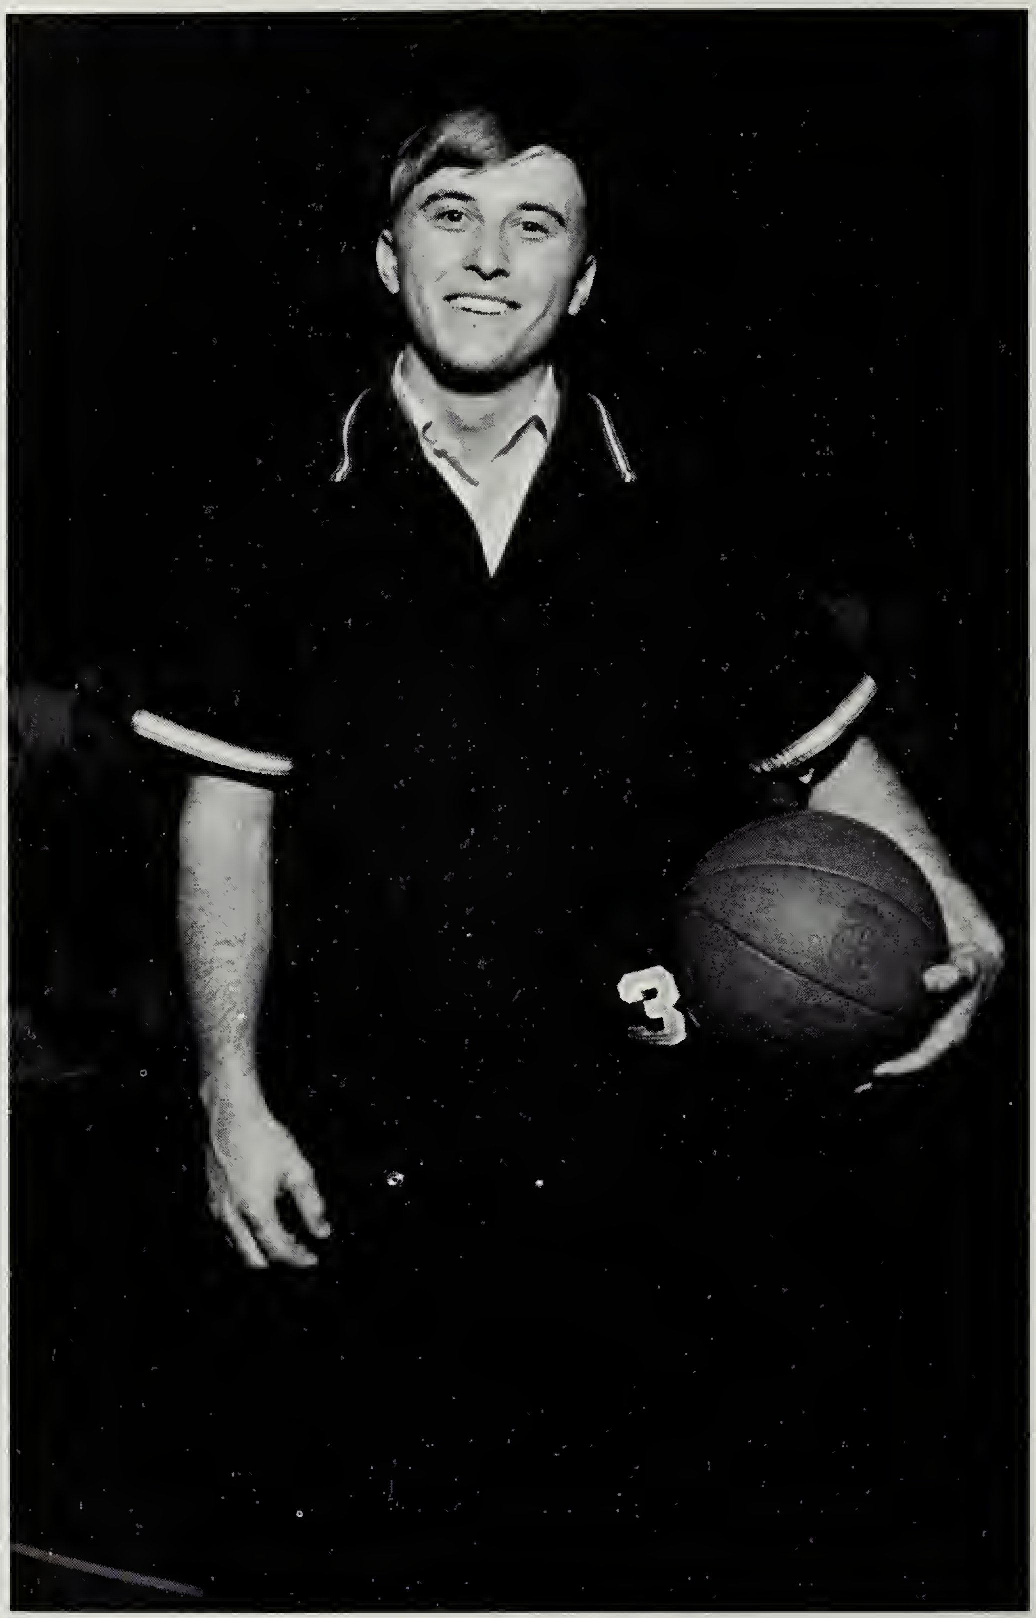
Wildcats Place Third In Southeastern District Tourney

The Wildcats continued traditional winning season with the firm leadership of Coach Harry Blevins in his tenth year as head coach of the Big Five. Assisting Coach Blevins were adroit ball handlers, guards Mike Head and Larry Baker, sharpshooter Tommy Rhodes, and powerful rebounders, Mike Andrews and Jim Murray. Other active players included seniors Mike Daughtery, Bobby Capps and John Harris and junior Olen Thomas. The remaining Wildcat team consisted of spirited seniors Mike Lowry, Jim Barclift, and Manager Jim Altice, and juniors Ray Conner, Connie Matthews, Mike Klepper, and Bucky Hodges. Following the team through a very successful season, the Wildcat fans this year displayed relentless enthusiastic support.



Jimmy Altice always manages with a smile.

Practice Season Starts Early For Tennis Team

Last year's Wildcat tennis team under the watchful eye of Coach Tom Stearns had an off season by defeating only Kellam High School. But things are looking up for this year's team! Since tennis is relatively a new sport at Great Bridge, its popularity and strength are still growing. The Wildcats had a tough schedule last year by playing schools in Norfolk and Virginia Beach which have a much larger enrollment and which are known for their fine tennis teams. However, Coach Stearns predicts a better season with three returning seniors who lettered last year. They include Gene "Poncho" Payne, who received the Outstanding Sportsman Trophy for tennis, Buster Blanchard, and Jimmy Synder.

Buster Blanchard practices

Golf Team Sports New Coach

Under the direction of new head coach, Mr. George Owens, last year's golf team had a rough season, losing all its matches except a tie with Cradock, 6-6. However, this year's team shows great potential with returning senior lettermen Barry Marple and John Lencmeyer. Other promising prospects include juniors Ray Conner, Mike Klepper, John Lee, and George East. The team has high hopes for John Lee, a junior who shoots in the upper seventies. The boys devote much time and effort practicing hard each day after school during the spring season at Stumpy Lake Golf Course and hope to stack up many wins.

John Lee hopes
for a hole-in-one.

Sophs Dominate CC Track

Composed largely of sophomores, the Cross-Country Wildcats completed a season of disappointment. The tri-captains, Mac Knight, Winston White, and James Asbell, are the only senior members. Under the direction of Coach Tennyson Williams, the track team gained valuable experience for future meets. The team participated in the Portsmouth Cross-Country Invitational, the William and Mary Invitational, and the District Cross-Country Track Meet.

Manager Oakley supervises practice
of David Lockwood and Sonny Pierce.

This has been a hard year for the wrestling team. Led by Captains David Lockwood and Sonny Pierce, the record was 1-13-0. The team did not do as well as expected at the district tournament, but Richard Rhodes, wrestling at 165, placed fifth and will represent Great Bridge in the state tournament in Wakefield. The team is composed of four seniors, four juniors, five sophomores, and two freshmen. Coach Stearns has hopes for next year's team and has encouraged underclassmen to come out. His theory is: If you start with a freshman, work with him, encourage him, by the time he's a senior, he will be a state champion.

Baseball Nine Takes Third

In his second year of coaching, Coach Martin Oliver led the Wildcat baseball team to a 8-7 season. The Wildcats finished sixth in the Eastern District out of fourteen teams by posting a 7-6 conference record. Making it to the Eastern District Tournament, the Wildcats placed third by defeating Cox 7-2. Johnny Tebault was the Wildcats best pitcher with a 7-1 record, and pitched the only no hitter against First Colonial. For his superb sportsmanship, Tebault was named Outstanding Baseball Player in Chesapeake for 1967. Returning to the Wildcat team this year is the leading hitter for the Wildcats, Tommy Rhodes who batted .333 last year. Quite a few other lettermen will return this year to give varsity an experienced team. With many experienced players returning, the varsity should have a good season this spring.

To a real neat kid. Remember all the fun we've had in science and all the candy we ate. Remember Regional Chorus (and Band). It's been a good year. I hope all the others are as good. Stay as sweet as you are and surely you'll find someone better than Joe! (HA-HA). Be good and stay clear.

Luv ya,
Lorrie

The staff extends its sincere appreciation to:
Mr. T. C. Dalton - for providing unrelenting hope
Mr. W. S. McIntosh - for sharing innovative ideas
Mr. W. B. Hash - for helping solve technical problems
The Faculty - for supporting the endeavors
English Teachers - for identifying pictures
Sally Wade, Tommy Rhodes, Susan Canada - for driving to get ads
Advertisers, patrons, clubs - for giving monetary support.

Without the cooperation and assistance of these people, **The 1968 Causeway** could never have been published.

Carol:
We're done
it. We've lived
through Mr. Vaughan
and Mrs. Knight and
still have our sanity
I think. You're a nice
girl. Good luck.

Carol,
You're a sweet
girl & I have enjoyed
knowing & having you
as a friend. I hope that
we may remain friends
through-out the years. Always
remember me and the Spanish
banquet! Ugh! for Spanish food!
Stay as sweet & cute as you are
now. Good Luck! Espically with
your lover! Linda

Dear Carol,
Thank you so much
for putting up with
me. You will never
know how much
I think of you.
Have a great summer
and I'll see you next
year. Thanks again,
Annie

Carol,
To a sour and
ugly kid that I'll
soon forget. Bad
luck in everything
you do
Bill Parker

Carol,
To a sweet and
cute kid that I'll
never forget. Good
luck in everything
you do.
Pam

Carol,
It has been great knowing
you even though you have
bothered me by calling me "bones"
and "skinny" but I realize it is
the truth! Well be good and
Remember this great year.
Lorraine

Carol,
You and Debbie make
a pair. Just think what
a class this might have
been if you and Debbie wouldn't
have been in it! Good luck
in Spanish II and in the years
to come. Love
Mike Snoder
